Summary

Stima Heights is a 20 storey off plan housing project comprising of 216 studios and 234 one (1) bedroom units. Basement and first floor will be parking spaces. Ground floor will be a mini-commercial centre and additional parking space. It's projected to be complete within 24 Months from November 2022.

It's located in Ngara West, Nairobi County. It's located 1 KM from Nairobi's city center. The subject property is located along Kolobot Road. The neighboring properties are Stima Investments plaza I and plaza II, Stima Sacco Plaza, Stima Hotel, Stima Plaza, Kengen Headquarters, and a host of residential properties. The property has a 30-meter frontage along Kolobot Road and is 300 m off Limuru Road. The property will sit on approximately $\frac{1}{4}$ Acre.

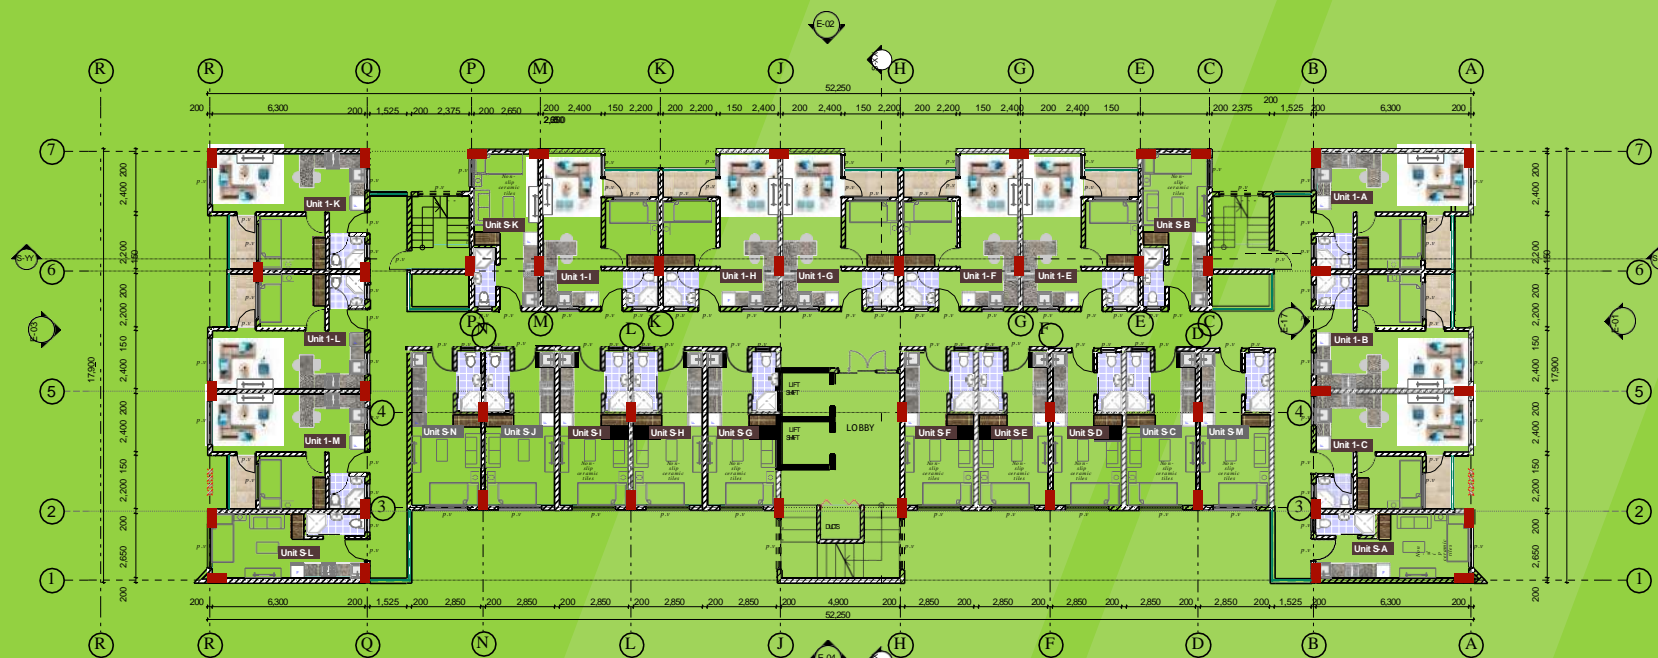

Ngara West Area Overview

- The Ngara west is undergoing urban renewal as we witness more single dwelling residential character buildings morph into high rise commercial, multi dwelling residential and hospitality developments. Ngara west area has been zoned for mixed development of compatible Land uses. In this case land owners are permitted to put their land parcels to all variety of land uses such as commercial, residential, recreation, health, educational and special purpose. The main uses in the Ngara west area is residential and commercial. Commercial enterprises are concentrated along Ngara, Park Road/ring road Ngara and Murang'a Roads. These include offices; Retail outlets (shops); petrol filling and Service stations; Student Hostels; garages; Bars; and Hotels (lodgings, restaurants and cafes). There will be an increase in demand of commercial facilities in Ngara and this will be attributed to the increase in the number of households as a result of high-density redevelopment of Ngara.
